## Analysing and Discussing Art Work

### Form

- How has the design been arranged?
- How have the shapes and colours within the work be composed?
- Is there one main shape, are there a series of related or repeated shapes?
- How is any text being used?
- Does the work have texture?

### Mood

- Does the image have a 'mood'?
- How does it make you feel?
- Does it capture a feeling?
- Is the work 'quiet' or 'sad'?
- What is it about the work that you like or dislike?

### Process

- How has the work been made?
- What materials and methods have been used?
- What skills have been used to produce the work?
- Was the work of an individual or a team?
- What was the starting point or 'brief'?

### Content

- What is it all about?
- What is the subject matter?
- Does it tell a story?
- Has the image been observed from life, remembered or imagined?
- Is there a hidden meaning?
- Is the work realistic or deliberately exaggerated or distorted?

### Materials

- What is the piece of art made from?
- Is it a painting or a print?
- Is it a sculpture made from solid material?
- Is it a video or an animation?
- Has the artist used digital technology?
- Have materials been mixed e.g. Pencil drawing with Photoshop, fabric and pencil ...etc.?
